

EDUCAM SCHOOL OF ANIMAL OSTEOPATHY CURRICULUM

| <i>FIRST YEAR</i> | |
|---|---|
| EXAM CODE | SUBJECT |
| <i>OSTEOPATHIC SCIENCES (SO)</i> | |
| SO.01 | History and Philosophy of Medicine and Osteopathy |
| SO.02 | Osteopathic Medicine and the OMT rationale |
| <i>BASIC SCIENCES AND MEDICAL SUBJECT (MM)</i> | |
| MM.01 | Elements of Physics and Biophysics |
| MM.02 | Elements of Chemistry and Biochemistry |
| MM.03 | Principles of Neuroscience |
| <i>VETERINARY SCIENCES (SV)</i> | |
| | The Dog and the Cat |
| SV.01 | Elements of Anatomy |
| SV.02 | Elements of Physiology |
| SV.03 | Elements of Pathology |
| SV.04 | Elements of Semiotics and Differential Diagnosis |
| SV.05 | Elements of Ethology |
| SV.06 | Elements of Diet and Nutritional Science |
| <i>OSTEOPATIC COMPETENCES (MO)</i> | |
| | <i>The Dog and the Cat: The Musculoskeletal System</i> |
| MO.01 | Anatomy and Physiology of the Musculoskeletal System of the Animal |
| MO.02 | PAF (Palpation and Functional Anatomy) of the Musculoskeletal System |
| MO.03 | Tests, Techniques, Osteopathic Principles and OMT of the Musculoskeletal System |
| | <i>The Dog and the Cat: The Myofascial System</i> |
| MO.04 | Anatomy and Physiology of the Myofascial System |
| MO.05 | PAF (Palpation and Functional Anatomy) of the Myofascial System |
| MO.06 | Tests, Techniques, Osteopathic Principles and OMT of the Myofascial System |
| | <i>The Dog and the Cat: Soft Tissues</i> |
| MO.07 | Anatomy and Physiology of Soft Tissues |
| MO.08 | PAF (Palpation and Functional Anatomy) of Soft Tissues |
| MO.09 | Tests, Techniques, Osteopathic Principles and OMT of Soft Tissues |
| | <i>The Dog and the Cat: Biological Rhythms</i> |
| MO.10 | Anatomy and Physiology of the Neuroendocrine, Splanchnic, and Autonomic Nervous System |
| MO.11 | PAF (Palpation and Functional Anatomy) of the Neuroendocrine, Splanchnic, and Autonomic Nervous System |
| MO.12 | Tests, Techniques, Osteopathic Principles and OMT of the Neuroendocrine, Splanchnic, and Autonomic Nervous System |
| <i>OSTEOPATHIC REVIEW</i> | |
| | <i>The Dog and the Cat: Review</i> |
| MO.03 | Tests, Techniques, Osteopathic Principles and OMT of the Musculoskeletal System |
| MO.06 | Tests, Techniques, Osteopathic Principles and OMT of the Myofascial System |
| MO.09 | Tests, Techniques, Osteopathic Principles and OMT of Soft Tissues |
| MO.12 | Tests, Techniques, Osteopathic Principles and OMT of the Neuroendocrine, Splanchnic, and Autonomic Nervous System |

| <i>SYNTHESES IN ANIMAL OSTEOPATHY (SIN)</i> | |
|--|---|
| | The Dog and the Cat |
| SIN.01 | Syntheses, Integration and Clinical Examination in Animal Osteopathy |
| SIN.02 | Syntheses: Practical Application |
| SIN.02 | Syntheses, Integration and Clinical Examination in Animal Osteopathy |
| <i>INTERNSHIP (TIR)</i> | |
| TIR.01 | Internship 1 – Observer |
| TIR.02 | Internship 2 - Participant |
| TIR.03 | Internship 3 - Therapist |
| SECOND YEAR | |
| EXAM CODE | SUBJECT |
| <i>OSTEOPATHIC REVIEW</i> | |
| MOA MOD.1 | The Dog and the Cat: Review |
| MO.03 | Tests, Techniques, Osteopathic Principles and OMT of the Musculoskeletal System |
| MO.06 | Tests, Techniques, Osteopathic Principles and OMT of the Myofascial System |
| MO.09 | Tests, Techniques, Osteopathic Principles and OMT of Soft Tissues |
| MO.12 | Tests, Techniques, Osteopathic Principles and OMT of the Neuroendocrine, Splanchnic, and Autonomic Nervous System |
| <i>BASIC SCIENCES AND MEDICAL SUBJECT (MM)</i> | |
| MM.04 | Elements of Scientific English |
| MM.05 | Elements of Research Methodology |
| MM.03 | Principles of Neuroscience |
| <i>VETERINARY SCIENCES (SV)</i> | |
| | The Horse |
| SV.07 | Elements of Anatomy |
| SV.08 | Elements of Physiology |
| SV.09 | Elements of Pathology |
| SV.10 | Elements of Semiotics and Differential Diagnosis |
| SV.11 | Elements of Ethology |
| SV.12 | Elements of Diet and Nutritional Science |
| <i>OSTEOPATHIC COMPETENCES (MO)</i> | |
| | The Horse: The Musculoskeletal System |
| MO.13 | Anatomy and Physiology of the Musculoskeletal System of the Animal |
| MO.14 | PAF (Palpation and Functional Anatomy) of the Musculoskeletal System |
| MO.15 | Tests, Techniques, Osteopathic Principles and OMT of the Musculoskeletal System |
| | The Horse: The Myofascial System |
| MO.16 | Anatomy and Physiology of the Myofascial System |
| MO.17 | PAF (Palpation and Functional Anatomy) of the Myofascial System |
| MO.18 | Tests, Techniques, Osteopathic Principles and OMT of the Myofascial System |
| | The Horse: Soft Tissues |
| MO.19 | Anatomy and Physiology of Soft Tissues |
| MO.20 | PAF (Palpation and Functional Anatomy) of Soft Tissues |
| MO.21 | Tests, Techniques, Osteopathic Principles and OMT of Soft Tissues |
| | The Horse: Biological Rhythms |
| MO.22 | Anatomy and Physiology of the Neuroendocrine, Splanchnic, and Autonomic Nervous System |
| MO.23 | PAF (Palpation and Functional Anatomy) of the Neuroendocrine, Splanchnic, and Autonomic Nervous System |
| MO.24 | Tests, Techniques, Osteopathic Principles and OMT of the Neuroendocrine, Splanchnic, and Autonomic Nervous System |
| <i>OSTEOPATHIC REVIEW</i> | |
| | The Horse: Review |

| | |
|---|---|
| MO.15 | Tests, Techniques, Osteopathic Principles and OMT of the Musculoskeletal System |
| MO.18 | Tests, Techniques, Osteopathic Principles and OMT of the Myofascial System |
| MO.21 | Tests, Techniques, Osteopathic Principles and OMT of Soft Tissues |
| MO.24 | Tests, Techniques, Osteopathic Principles and OMT of the Neuroendocrine, Splanchnic, and Autonomic Nervous System |
| <i>SYNTHESE IN ANIMAL OSTEOPATHY (SIN)</i> | |
| | The Horse |
| SIN.03 | Syntheses, Integration and Clinical Examination in Animal Osteopathy |
| SIN.04 | Syntheses: Practical Application |
| | The Horse |
| SIN.04 | Syntheses, Integration and Clinical Examination in Animal Osteopathy |
| <i>INTERNSHIP (TIR)</i> | |
| TIR.01 | Internship 1 – Observer |
| TIR.02 | Internship 2 – Participant |
| TIR.03 | Internship 3 – Therapist |
| <i>THIRD YEAR</i> | |
| <i>EXAM CODE</i> | <i>SUBJECT</i> |
| <i>MODULE OF OSTEOPATHIC INTEGRATION</i> | |
| | General Osteopathic Treatment of the Animal |
| | Clinical Development |
| | Equi-taping |
| | Les Pompages |
| | Exotic Animals and Birds |
| | Kinesiology and Applied Naturopathy |
| | Technical Integration in the Dog and the Horse |
| | Cranial Dynamics and Animal Biological Treatment |
| | Connective Tissue and Visceral Reflex Manipulation |
| | Clinical Development and Expert in Animal Osteopathy Exams |
| <i>INTERNSHIP (TIR)</i> | |
| TIR.03 | Internship 3 – Therapist |
